Snakes and Ladders

BROCHURE

Snakes and ladders for your whole team

Turn your company event into a live snakes and ladders race on everyone's own phone. Every player gets their own board. Share one link. No app to install. Easy for you to set up, fun for every guest.

FOR ORGANIZERS

Why organizers choose it

Ready in minutes.
Pick the day and time, the size and the gifts. Start free and change anything until the game begins.

Everyone plays on their phone.
Guests open one link, type a nickname and get their own board. One board for each phone.

Your message in the game.
An opening, up to 3 moments during the game and a closing: a message, a video, audio, or a lucky draw.

Fair for everyone.
The software, not a person, decides the winners from public random numbers that many phones check.

Your team can help.
You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.

A free AI helper.
Paste your personal link into your own AI chat. It builds the draft. You press publish and pay.

Players pay nothing.
No real-money stake by players. No cash prizes. No betting. You give the gifts. We provide the software and never hold or pay prize money.

Easy to explain.
Guest nicknames are erased within 24 hours after the game, and also when a game never starts. Designed to follow India's DPDP Act, the EU GDPR and US state privacy laws such as the CCPA.

HOW IT WORKS

Three steps

1 **Build your game**
Pick the day and time, size, gifts and turn length. It is a free draft until you publish.

2 **Invite your people**
Share one link in Slack, Teams, Zoom chat, e-mail or WhatsApp. Show the big screen in the room or on a video call.

3 **Pay once, then play**
Pay once for the game, before it begins. Everyone plays together, and the software finds every winner.
